

Why Study in Ireland?

- Dublin topped the Condé Nast list of Europe’s friendliest cities.
- Ireland is generally a safe place to visit and live. The Global Peace Index ranked it as the 12th safest country in the world.
- Dublin is the gateway to exploring Ireland’s Wild Atlantic Way and Ireland’s Ancient East, which attracts surfers and tourists to our beaches, cliffs, mountains, ancient ruins and hiking trails. Travel around Ireland and you’ll find a ton of towns and villages where the “craic is mighty”, as we like to say.
- Ireland is the European hub to over 1,000 leading multinational companies and has been chosen by 9 of the top 10 US Technology companies, 9 of the top 10 Pharmaceutical companies, 14 of the top 15 Medical Technology companies and 8 of the top 10 Financial Services companies.

Third Level Graduate Scheme

Graduates of a Level 8 course can apply to stay in Ireland for one year after graduation on the Stamp 1G visa.

Graduates of a Level 9 course can apply to stay in Ireland for two years after graduation on the Stamp 1G visa.

Accommodation

The DBS campuses are all located in central Dublin, with extensive transport links to the greater Dublin area. DBS has secured a number of rooms with our accommodation partners, Mezzino Brickworks. Please email the Student Services team for availability and to book your room. Alternatively, you can rent privately or stay with a host family.

“My experience at DBS has been incredible! The supportive faculty, engaging courses, and vibrant campus environment have truly enriched my learning journey. The practical approach to education and emphasis on real-world skills have prepared me for success. I would highly recommend DBS to other students because of the excellent academic programs, opportunities for personal growth, and the strong network of alumni. DBS is the perfect place to pursue your educational goals!”

The First 100 days

Your first 100 days are critical to adapting and thriving in college. In DBS we have developed a programme which, through physical and online resources, allows you to fully adapt to college life. This is a cross-college collaboration, with our Student Experience, Lecturers, Library, Student Union and Careers teams providing the tools and support to help you through your college journey.

The Student's Union (SU)

There are 4 Student Union officers who represent and advocate on behalf of all our students: the President, Vice President for Student Life, Vice President for Well-being & Student Life and Vice President for Education.

Careers Team

DBS Graduates are highly sought after by employers. Our dedicated careers team aims to provide opportunities for all of our students to develop employability skills to achieve their career goals.
