RATING SYSTEM

OVERVIEW

National College of Ireland (NCI) offers programmes that are internationally recognised and industry focused. To ensure our students have the very best opportunities, we offer world class supports and services throughout your time here. The International Office will ensure you have all the information you need to arrive, live and study in Ireland. You will find more information at www.ncirl.ie/international.

Your Future Career

NCI recognises the importance of preparing students for their future career. All of NCI's programmes have been designed in partnership with industry to meet their current and future workforce requirements - making NCI graduates highly desired. We have a dedicated Careers Team that begins working with students from day one of their student journey in order to provide the direction, skills and knowledge to successfully identify and secure the right career.

- Winners of 8 national careers service awards.
- QS 5 Star rating for Employability.
- Over 100 careers events annually -connecting you with future employers.
- Preparing you for your future with CV clinics, interview practice, 1-1 advice and more.

International Student Support

We understand that moving to a new country, where you might have no family or friends, can be challenging. The NCI International Office will ensure you have all the information, support and guidance you need from your arrival to Ireland until your graduation from NCI.

- 12 week preparation programme.
- Free airport collection service.
- 4 week welcome programme.

Our international support team has won two national education awards for international engagement in 2021 and 2023.

CHAT TO STUDENTS

Message one of our students and discover about student life at National College of Ireland www.bit.ly/ChatToStudents

NCI Agents

NCI welcomes students from around the world and we are here to support you on each step of your journey. It is advised that you apply through one of our approved agents who can provide you with additional guidance and support with your application. Please view our agents in your country at www.ncirl.ie/Your-Country-Information or email us at international@ncirl.ie and we will introduce you to an agent.

Entry Requirements

Students from more than 80 countries study at our campus and we accept high school and degree qualifications from thousands of education institutions around the world.

For full details on the requirements for your country, including the specific grades you require, please visit www.ncirl.ie/Your-Country-Information.

In addition to general entry requirements from individual countries, some programmes have additional module specific requirements. You should look at the programme pages on the NCI website for more information or email international@ncirl.ie.

We accept a number of English language qualifications including IELTS, TOEFL and Duolingo. Please visit www.ncirl.ie/English-Language-Requirements-International to view our English language requirements.

How to Apply

Here are a few important steps to submitting an application to NCI:

1. Research our programmes, select your first preference and ensure you meet the entry requirements.
2. Gather your application documents. These will include:

- Transcripts and certificates of all study to date (including translations)
- English language certificate (if available)
- CV
- Passport

Research the full list of documents required for your programme at <https://www.ncirl.ie/how-to-apply-international>.

3. Submit your application through an NCI approved agent or on our website. NCI does not charge an application fee.
